

THE HISTORY OF NORTHWOODS

The city of Northwoods has been around for a long time. There are a large number of people that live in Northwoods. There are approximately 4,643 people that live in Northwoods, which consists of 2,047 males and 2,596 females. The population of Northwoods is quite diverse. 4,302 people are African-American and 290 are white. Filipino, Korean, Asian Indian, and Alaskan Native minorities make up 0.6% of the population. The people of Northwoods work in a variety of industries. Education, health, and social service work are the main employment occupations. Over 500 people partake in these types of jobs. There are a lot of old houses that people still live in today. The oldest structure was built in 1939, but we don't know if it is still standing today. Other houses in Northwoods are still in good shape and many people enjoy their homes. Many of the people that live here have lived in their houses for a long time. The community of Northwoods is a very peaceful and quiet place to live. The outside environment is very beautiful.
